COME TO MISSOURI FOR THE BEST BUYS IN SHORTHORNS

We have often said that the Annual Missouri Shorthorn Sales provide the best opportunity to buy well bred bulls and females that are made available at auction any place in America each year.

The 44 bulls and 26 females listed in this spring's Missouri State Sale have the breeding and the quality to provide many real herd bull buying opportunities. There are half-brothers to first prize winners at the last Chicago International Livestock Show. There are half-brothers to numerous, former state champions. There are bulls that contain as good a breeding as can be found in America or Scotland today.

I would like to call special attention to the female offering. There will be 18 open heifers, an unusual opportunity to buy young heifers, ideally bred and developed with their full productive lives ahead of them. There will be 7 bred heifers and 1 cow with calf at foot.

This will be the only registered Shorthorn sale in Missouri this spring, as the Annual Pike County Breeders' Sale at Bowling Green has been cancelled, and their usual top consignments are selling in this sale.

Plan to attend the annual meeting and banquet on the evening prior to the sale ... to see Billy Anderson, one of America's foremost Shorthorn breeders, judge the sale cattle at 9:00 A.M. on sale morning, and then be on the seats at 1 o'clock for Missouri's best Shorthorn sale.

GLENNDALE RADIANT 20th -- a dark red son of our imported bull Naemoor Radiant. The best recommendation for Radiant are his calves. A number of breeders are using his sons as head sires and all are well pleased. This calf should make another one. His dam is from the Marshall herd in Scotland. You can not find better breeding.

MACBETH COUNT -- this is one of our top calves of all time. His pedigree is one of the best. Out of one of our best daughters of imported Lawton Favorite, this calf, Macbeth Count, is a grandson of Tarbat Field Marshal, that was bred in Scotland and was reserve champion at the Chicago Congress show and sale. This calf is a very dark solid red and should head a good herd.
